## Goldman's Early Life and Career

Goldman was born in Brooklyn, New York, in 1930. He grew up playing baseball and was a standout player at Abraham Lincoln High School. After graduating from high school, Goldman attended the University of Michigan, where he played baseball and studied economics. After graduating from college, Goldman served in the United States Army. After his military service, Goldman began his career in baseball as a scout for the New York Yankees.

## **Goldman's Work with the New York Yankees**

Goldman quickly became one of the most respected scouts in baseball. He had a keen eye for talent and was able to identify players who would go on to have successful careers in the major leagues. Goldman's scouting reports were highly valued by the Yankees, and he played a key role in the team's success during the 1950s and 1960s. In 1966, Goldman was promoted to the position of general manager of the Yankees. As general manager, Goldman continued to build successful teams, and he helped the Yankees win four World Series titles during his tenure.

## **Goldman's Later Career**

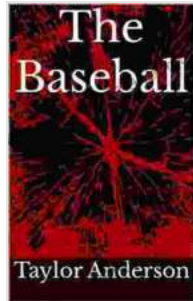

Goldman left the Yankees in 1973 to become the general manager of the San Diego Padres. He later worked as a scout for the Los Angeles Dodgers and the San Francisco Giants. In addition to his work in baseball, Goldman has also been a successful author and lecturer. He has written several books on baseball, including "The Science of Hitting" and "The Art of Pitching." Goldman has also lectured on baseball at universities and colleges across the country.

## **Goldman's Legacy**

Joel Goldman is a legendary figure in the world of baseball. He is best known for his work as a scout and executive for the New York Yankees, where he helped build some of the most successful teams in baseball history. Goldman is also a respected author and lecturer on the game of baseball. He has left a lasting legacy on the game of baseball, and his contributions to the sport will continue to be appreciated for years to come.
