To Sir Phillip With Love is a prequel novella to the Bridgerton series by Julia Quinn. It tells the story of how Sir Phillip Crane, the widowed father of three young children, meets and falls in love with Eloise Bridgerton, the fourth daughter of the Bridgerton family.

The novella begins with Eloise receiving a letter from her cousin, Marina Thompson, who is married to Sir Phillip. Marina is pregnant with their second child, and she asks Eloise to come and stay with them for a few weeks to help her with the children. Eloise is reluctant to go, but she eventually agrees.

When Eloise arrives at Marina and Sir Phillip's home, she is immediately struck by how different Sir Phillip is from the man she had imagined. He is

kind, gentle, and patient with his children. He is also very handsome, with dark hair and piercing blue eyes.

Eloise and Sir Phillip quickly become friends. They spend hours talking and laughing together. Eloise finds herself drawn to Sir Phillip's intelligence and wit. She also admires his devotion to his children.

As the days turn into weeks, Eloise and Sir Phillip's friendship grows into something more. They realize that they are in love. However, their love is forbidden. Sir Phillip is a widower, and Eloise is a member of one of the most powerful families in England. They know that their relationship will never be accepted by society.

Despite the obstacles, Eloise and Sir Phillip cannot deny their feelings for each other. They begin a secret affair. They meet in secret and spend stolen moments together. They know that their love is dangerous, but they are willing to risk it all for each other.

However, their secret cannot be kept forever. Eventually, Eloise's family discovers their relationship. They are furious. They forbid Eloise from seeing Sir Phillip ever again. Eloise is heartbroken. She cannot bear the thought of living without Sir Phillip, but she knows that she has no choice but to obey her family.

Eloise and Sir Phillip are forced to part ways. They are both heartbroken, but they know that they will never forget each other. They continue to love each other in secret, and they hope that one day they will be able to be together again.
